Summer Camp at Stone School

SESSION	Date/time	Description
Games galore	June 6-10 9:30am-12:30pm	This week is filled with a variety of fine and large motor games both indoors and outdoors. Children get an opportunity to have positive group interactions.
Plants & Gardening	June 13-17 9:30am-12:30pm	During this week, children get to learn and participate in the basics of planting flowers and care taking for a garden.
Creepy Crawlers	June 20-24 9:30am-12:30pm	Explore the world of insects! Children will enjoy digging in the dirt, looking for bugs, and learning about their habitats. Campers get a chance to play games and activities such as flyswatter painting, walk the spider web, and parachute play.
Water Exploration	July 11-15 9:30am-4:00pm	A week filled with water fun! Children will have an opportunity to play in sprinklers, water tables and enjoy picnic style snacks.
Beach	July 18-22 9:30am-4:00pm	This camp offers fun in the sun! Campers will spend time inside and outside, playing in the sand, waterplay, and learning about sea creatures.
Camping	July 25-29 9:30am-12:30pm	Children enjoy recreating outdoor camping experiences. Children will have fun playing with tents, singing songs, and eating s'mores.
Outer Space	August 1-5 9:30am-12:30pm	Children will learn about the planets and solar system through games, crafts, songs, and books.
Phonics	August 8-12 9:30am-12:30pm	This camp offers a fun and play-based approach to the introduction to the most common sounds of the Alphabet, letter recognition and formation. Activities such as; Going On A Letter Hunt and Alphabet Dig make letter awareness easy and fun.
